-----------------	--

The Asia Pacific Occupational Safety and Health Organization (**APOSHO**) and the **NSCA Foundation** would like to extend an invitation for you to join us at the **36th APOSHO Conference** to be held 23–25 November 2022 at the Melbourne Convention and Exhibition Centre in Victoria, Australia.

The theme of the 2022 APOSHO conference is **Educate, Enhance, Evolve** and encapsulates our goals and objectives within the industry. The year 2022 will be the year to reconnect face to face, and APOSHO 36 offers delegates, speakers, sponsors and exhibitors an excellent opportunity to meet together with key decision makers

The conference will include innovative speakers across a range of work health and safety topics along with pre-conference workshops, a welcome reception and the **National Safety Awards of Excellence** Gala Dinner at the Palladium at Crown.
